

We have created the concept of Master Catering in terms of maximalist and exclusive catering 15 years ago, to satisfy the growing needs of our partners. We are willing to plead this profession quality by widening our services. Therefore we have opened the VIRÁGVÁR flower saloon and service in 2009 may.

About our services:

We help you to turn your events special and beautiful with our wide professional experience. We aspire to create especial decoration or present by using the treasures of nature and high quality material.

Creation of table ornaments and room decorations with cut flowers.

We take on the creation and transportation of weekly or casual flower decorations for companies, shops, office buildings, commercial and entertainer units.

According to personal needs the following services are available:

Occasional bouquets

Event decorations

(Christmas and partner parties, balls, gala dinners, receptions)

Full wedding decorations

(bouquets, ornaments, pins, car ornaments)

Church and room decorations

Girdles, mourning bouquets

Plant care
